

“And we give until it feels good!” The Wisdom Book of Ben Sira

Dear Fellow Congregant,

Todah Rabah! Thank You!

As our High Holiday season quickly approaches, the DHJC leadership wants each of you to know how much we greatly value your membership and commitment to our synagogue.

Rabbi Buechler, Cantor Hevenstone and the DHJC Officers and Board of Trustees sincerely wish you, your family and loved ones, “**L’Shanah Tovah Metukah**”, the blessing of a good and sweet year.

The New Year, 5778, is the start of our **Synagogue’s 50th birthday celebration**. We have grown from a modest beginning of 65 young families to a vibrant, multi-generational, congregation family of over 600 families offering varied programming, educational classes, life cycle events and religious services to enrich the lives of all who participate.

Today, just as in 1968, we rely on the generosity of **each of us** to insure that we continue to meet the needs of **all of us**. Unfortunately, the dues and fees alone don’t cover all that we offer to our congregation. We rely on the generosity of all our congregants during the **Kol Nidre Appeal** to continue to offer all that makes us the premier synagogue in Suffolk County.

As the Kol Nidre prayer wipes our slates clean, we hope that you will consider, as your first entry for 5778, a contribution to the DHJC **Kol Nidre Appeal**.

Your generosity and commitment to our synagogue will ensure our continued strength and growth.

L’Shanah Tovah Metukah,

Gail Jospa and David Shandel
