

In Memoriam

On this day, when we observe Yom HaShoah, we recall the Six Million of our people who were murdered by the brutal Nazis. Their plan was to destroy the Jewish race and obliterate its memory.

Innocent men, women, and children were put to death. The cries of the aged were ignored. The tear-drenched voices of the children were unheard. The pain-filled pleas of the weak and sick were unheeded. The life blood of our brothers and sisters was spilled upon the soil of Europe. They were killed because they were Jews.

And yet, weakened by hunger, deprivation and torture, many of our people stood up against the Nazis and resisted, fighting with their bare hands. These acts of courage brought honor to them -- and to us as well.

May their memory be blessed for eternity.

We remember...
