

# DHJC's Dedicatory Torah Covers

DHJC will be commissioning Siona Benjamin to beautify the heart of our synagogue by creating magnificent Torah covers. Siona is a Bene Israel Jewish artist from India, and twice Fulbright scholar, who has created many beautiful art commissions in synagogues across the country. Siona's work illuminates vibrant colors & religious symbols to create works that have synergy, meaning and beauty. Siona will be creating original artwork and Torah Covers based on the story of creation and biblical themes.

**We'd like to invite you to dedicate a Torah Cover in honor or memory of a loved one or life cycle event.**

A donation of \$5000 will include your name on a dedicatory plaque in the sanctuary, an exclusive invite to a VIP reception where Siona Benjamin will sign an 11"x17" print of the art of the cover of your choice.
